

Trunk Rack Lock

Trunk Rack Lock

#3050

- Versatile 8 ft. 10mm vinyl-coated braided stainless steel cable.
- Cable can be used on hitch racks, trunk racks, stationary posts, anywhere you need to secure your bicycle.
- Vinyl coating protects the finish on your car and bicycle.
- Included Lock loop allows for convenient locking of bikes to vehicles.

We warrant this product to the first consumer to be free from defect in material and workmanship for a period of two years from the date of purchase. (Please retain your sales slip for your records.) Any product or part thereof found to be defective within that period will be replaced without charge provided that: (1) the product was not misused; (2) no alterations or modifications were made; (3) its failure resulted from a defect in material or workmanship and not from normal wear expected in the use of the product; (4) the product or part thereof is delivered, freight prepaid to Saris Cycling Group. Manufacturer's only obligation shall be to replace such products or parts proved to be defective.
